

PH 366 Day 15: Probability Densities and Normalization

26 Feb 2025

Announcements

Thanks for coming to the research fair!

- Will be sending more details to folks who need research mentors later today

Next week – we start a group project

- Wed, March 5: Explore final project options, get into a group, work time
- Mon, March 10: More work time
- Wed, March 12: Group project presentations

Today's Assignment

- Normalizing probability densities
- Using probability densities
- Using `integrate.quad`
- What is the purpose of **normalization**?
